

# **NWAFS 41<sup>st</sup> Annual Meeting**

## **Vancouver, Washington**

### **September 15-21, 2013**

The Northwest Association of Forensic Scientists' annual training conference will be taking place on the banks of the mighty Columbia River. Our meeting consists of technical workshops, scientific presentations and an opportunity to participate in a special research topic.

Some of the tentative workshops include:

- DNA Mixtures
- Y-STR
- BSPA on clothing
- Latent Blood Detection
- Synthetic Cannabinoids
- Black Powder Synthesis

Our Special Research Topics will include the areas of:

- Firearms
- Impressions
- Crime Scenes

**September 15-21, 2013**  
**Vancouver Hilton**
